

I want to take this opportunity to welcome you to our church. My name is Kevin Pasion and I serve as the Pastor for this small community of believers we call **World Harvest Fellowship - Berryessa**. The word **Fellowship** is more than just a part of our name – it represents our desire to connect and be a part of the lives of the people who call this area their home. The neighborhood surrounding our church is a very diverse mix of people representing many

different languages and cultures, but sharing one thing in common. I believe they are all asking the same basic questions that most of us have considered at one time or another - **“Does God truly exist? And if He does exist, does He know me or even care about me?”** The answer to both of these questions is yes! God does exist and He does care about you.

This brings me to the reason I chose to introduce myself to you while sitting on my motorcycle. My family and I love road trips, and there is no better way to “see the world” than on the seat of a motorcycle. When the disciples (followers) of Jesus asked Him to show them the way to find God, he answered them saying, **“I am the way, and the truth, and the life; no one comes to the Father but through Me” (John 14:6).**

Many people believe that there are a lot of pathways to God, but as the Bible says, **“There is a way that seems right to a man, but in the end it leads to death (Proverbs 14:12).** Webster’s Dictionary defines the word way as: a

thoroughfare for travel or transportation from place to place. In other words, we are all on *the way* to somewhere – but the question is whether or not **your way** will lead you to God.

This is why we exist as a church – to help show by living out **the way** as revealed in the word of God. **World Harvest Fellowship - Berryessa** is a loving group of believers who are committed to following Jesus and helping others follow Him as well. We long to make a real difference in our community and our world with the way that we live for Him. We love connecting people to God through Jesus in authentic, healthy relationships. We love for these relationships to grow deep and to be life giving... just the way God designed them to be.

We invite you to come and experience life in our community. Join us on Wednesday evening at 6pm for dinner, great conversation, study and worship. In fact, join us **“for the ride of your life”!**

Pastor Kevin “Woody” Pasion

World Harvest Fellowship is a network of church plants throughout Northern California, Japan and the Philippines. We are a part of the Evangelical Free Church of America which is an association of 1200+ churches who are united by our shared commitment to biblical faith and to the task of multiplying healthy churches. For more on the EFCA West see the following [link](#).
